

M3T Cx Authorities LLC Secures GSA Contract Schedule to Aid in Establish Government Contracting Office

Washington, DC, April 2024 — **M3T Cx Authorities LLC** is thrilled to announce the award of a General Services Administration (GSA) Contract# 47QSMS24D004R. “This milestone marks a significant step forward for the company in expanding its reach and impact within the government sector. The GSA schedule award underscores **M3T's** commitment to providing exceptional services tailored to the unique needs of government agencies. With this new endeavor, the company is poised to streamline procurement processes, enhance efficiency, and deliver unparalleled value to its government clients,” said Monica Mack, CEO/President of **M3T**.

In addition to enhancing operational efficiency, the new government contracting office will facilitate compliance with federal regulations and promote transparency in procurement processes. This initiative aligns with **M3T's** mission to drive positive change and deliver measurable results for its government clients.
